## SUMMARY

Full stack web developer with a strong mortgage and insurance background, along with a degree in psychology, who brings a unique perspective to building intuitive, user-friendly web applications. Recently earned a certificate in full stack web development from Northwestern University and developed skills in JavaScript, React, HTML, CSS, MERN stack technologies, and more. Known for having a focus on design to craft impactful digital experiences that engage and delight users. Excited to leverage new skills in combination with financial services knowledge to contribute to the development of innovative, high-quality web applications that meet the needs of users and drive business growth.

## TECHNICAL SKILLS

JavaScript, React, HTML, CSS, Bootstrap, UI/UX Design, Responsive Web Design, MySQL, Node.js, Express.js, MongoDB, Database Theory, API integration, Agile Methodology, Git, Vue.js, AngularJS

## PROJECTS

**Gamer's Circuit** | [github.com/MattOz/Gamers-Circuit](https://github.com/MattOz/Gamers-Circuit) | [shielded-basin-55972.herokuapp.com](https://shielded-basin-55972.herokuapp.com)

- Full stack e-commerce app that sells gaming hardware and equipment made with React, Bootstrap, Express, MongoDB, indexedDB, Context API, JWT, and payment gateway via Stripe
- My responsibilities included developing react components, UI/UX design, and implementing data.

**Chicago HotSpot** | [github.com/MattOz/Chicago-HotSpot](https://github.com/MattOz/Chicago-HotSpot) | <https://ancient-wildwood-93900.herokuapp.com>

- Full stack application that allows users to review Chicago Michelin star restaurants, using MVC design pattern, Handlebars.js, Sequelize ORM, and express-session.
- My responsibilities included login/signup functionality, UI/UX design, and implementing API data.

## EXPERIENCE

### Loan Processor

#### CrossCountry Mortgage, LLC

2020 – 2022

Chicago, IL

Responsible for reviewing high volumes of loan applications, verifying financial information, and ensuring all loan documentation is complete and accurate. Worked closely with loan officers, underwriters, and borrowers to ensure loans are processed accurately and efficiently.

### Customer Service Representative

#### Jewelers Mutual Group

2019 – 2020

Neenah, WI

Provided customer service to personal and business policyholders. Answered questions about insurance products, processed policy changes and assisted with filing claims.

### College Financial Representative

#### Northwestern Mutual

2018

Chicago, IL

Developed a 300+ client database and made 25+ cold calls each day to prospective clients and referrals. Sold life insurance policies, annuities, and worked with advisors to create comprehensive financial plans for clients.

## EDUCATION

**Full Stack Web Development Certificate:** Northwestern University, Chicago, IL 2023

A 3 month, intensive, full time boot camp focused on gaining technical programming skills in JavaScript, React.js, HTML, CSS, Git, JQuery, Bootstrap, Node.js, MySQL, MongoDB, Express.js, and database theory, and more. Developed several full-stack applications and open-source projects throughout the program.

**B.A. Psychology:** Lawrence University, Appleton, WI 2015 - 2019

Liberal arts undergrad education with a major in Psychology and minor in Spanish. Awarded Presidential Merit Scholarship for all four years.
